Dear Kevin,

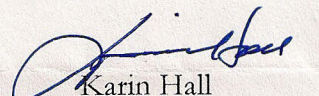

On behalf of all of us at Heal the Bay, we want to extend a very special thanks to you for your generous donation of one 1252 Genesis Whole House Water Treatment unit and one under the sink office drinking unit, which you valued at \$5,970 on August 10, 2008.

Your support to Heal the Bay has given us significant assistance to pursue our goals of swimming in a Bay where every beach is safe for children and adults alike.

Again, we applaud your commitment to the environment and look forward to our continued mutually rewarding relationship.

Sincerely,

Mark Gold, D. Env.
